

THE CHINA DEBATES

British Chamber of Commerce Guangdong

Sponsorship Pack 2010

About the Debates

For 2010 the British Chamber of Commerce Guangdong is planning a series of special 'China Debates' loosely along the same lines as the brilliant 'Doha Debates', chaired by the former BBC correspondent and interviewer Tim Sebastian.

The China Debates focus on a single, topical motion, with two high profile speakers for and against. Once they have outlined their arguments, each speaker is questioned by the Chairman and the discussion is then opened up to the audience for further questions and discussions. At the end of the debate, the audience is invited to vote on the motion.
